Dedication 59

Dedicated In Memory Of

The Staff of the 1959 TIGERAMA wishes to dedicate this annual to the David Ringer Ringer family in memory of David Lee Ringer who was born on December 7, 1940, and died on February 5, 1957, in an automobile accident.

David Lee entered Fishers School at the age of six in the year 1947. He started his 4-H work in 1950. From that time until his death, he was outstanding in 4-H activities. During this time, he won three championship ribbons and trophies, and was picked for showmanship for three years in the county and one year in the state contest. In 1956, he was picked by the American Guernsey Cattle Club to go to the National Dairy Congress in Waterloo, Iowa, and the International Show in Chicago.

He was active in 4-H work for six years, and was a Junior Leader for two years. Also, he was a member of Junior Dairymen through 1954-55.

David Lee began playing basketball in the sixth grade and was a member of the varsity squad at the time of his death. During the eighth grade, he was awarded the Free-Throw Award. As a member of the baseball team, he was first baseman. Also, he was a member of the track team.

He served on the Student Council his Freshman and Sophomore years. In 1954, he became a member of Fishers Methodist Church.

David Lee was always known among his friends for his good sportsmanship. He is remembered yet today for it, as the David Lee Ringer Sportsmanship Award is given every year by his family. It goes to the graduating senior who has had an outstanding record of sportsmanship.

The 1959 graduating class would like to thank the David Ringer family. During our school years, they have always been ready to offer their help whenever it was most needed.

Faculty 59

Mr. Smith

Our Guiding Light

The acquiring of an education is considered by the modern "student" a social distinction. He displays his diploma as the prize for luck--sometimes skill--in playing his cards. This element of uncertainty, by the way, is what makes the teaching game even more fascinating--sometimes. Even a game must be scientifically formulated and played according to rules.

For our guidance through high school we have Mr. Brian Smith. Little do we realize the immense task placed upon his shoulders. In his hands lie administration, supervision, guidance, and teaching.

Let us pause and consider that without someone like Mr. Smith to pilot us through our storms, we would not have learned the ways that are to be our guiding light through life.
